

COMMUNITIES OF PRACTICE

Vision Statement:

Communities of Practice is a structure that contributes towards cultivating a culture of professional learning focused on collaboration, inquiry and the generation of new ideas to improve practice and result in enhanced student learning.

The purpose of the Community of Practice is:

- to **engage** in a process of collective learning in a shared domain;
- to **enrich** the learning environment for ALL students in Rocky View;
- to **empower** ourselves as professionals to work collaboratively.

The goals for each Community of Practice are:

- to **build** relationships and professional networks that enable each member to learn;
- to **develop** a shared understanding of best practice for the 21st Century Learner;
- to **commit** to develop and implement resources and/or strategies that meets the needs of **ALL** learners in the 21st Century.
